

April Craft Idea

Supplies needed: 4 oz. paper soufflé cups

Pipe cleaners- pink, yellow, green, etc.

Small pink pom poms for nose

Various larger colored pom poms for tail

Medium size wiggle eyes

White and pink card stock for ears

Tacky glue

Black marker

Hole punch

Make an oblong ear shape with white paper. Trace and cut to make as many as you need. Trace and cut a smaller size of pink paper to fit in the middle of white for ear. Glue together and attach to the inside of soufflé cup. Glue on wiggle eyes, pom poms for nose and tail. Draw on face (whiskers, mouth). Punch holes on top of opposite sides of soufflé cup. Put each end of pipe cleaner through holes and twist end.

We will be filling these with Easter grass and jelly beans and placing them on the tables for our annual Easter Breakfast with family members.
