Scholarship History

In 1993, WRAP established a scholarship fund for those wishing to further their education in the healthcare field. The first fundraiser for this scholarship was a "Walk/Run" held at the organizations' annual conference in 1993. With the monies raised from this event as a base, the scholarship fund was established.

The very first scholarships were awarded from this fund at the 1994 annual conference. Since then, each year one or more scholarships have been awarded to individuals wishing to continue their education in the healthcare field.

These Scholarships are available to individuals wishing to take a formal class or pursue formal education in the healthcare field. These classes may include the NAAP/NCCAP MEPAP parts 1 and 2 for activity professionals or college course work related to the health care field. These Scholarships will not be awarded for seminars, workshops, conferences or conventions.

Since 1994, WRAP has awarded over \$12,000 in Educational Scholarships!

Scholarship Criteria

- Proof of employment in a health-care facility in the state of Wisconsin. This includes long-term care, retirement, adult day care, CBRF/RCAC, assisted living, ICF/MR, CMI, sub-acute, senior care, and hospice.
- Proof of acceptance in a formal class in the healthcare field.
- A statement of the fee of the course showing that you have personally paid for the course.
- Courses must be started or taken during the current year.
- Application form completed

Awarding and Presentation of Scholarships

The amount of each scholarship will not exceed \$200. Limit of one scholarship per person per year. The selection of recipient(s) will be the responsibility of the Scholarship committee. Applications will be reviewed 2 times per year-deadline is June 1st, and November 1st. Scholarship winners will be notified by mail. A formal presentation of the awarded scholarship(s) will be announced at the annual fall conference of WRAP.
